Hi Micheal,

I am pleased to provide this reference letter to Pnevuy
Engineering Pty. Ltd. for your accomplishment in making the
Banbury Replacement Project a success.

Your workforce has proven to be exceptionally competent in heavy
duty industrial machine application with an outstanding knowledge
in the rubber processing equipment.

I am very impressed with the crew's' technical expertise across a
wide variety of Automation platforms and their ability to always
produce a great result in a timely manner.

Well done and hope we can have your support in future!

Regards,

Hong Koh
Plant Engineer
